 transfer above

The Church Cemetery
 Contains the remains of.....291

Description of the location of each grave

There are SEVEN rows in the Cemetery which I have lettered A to G.

With Row A being the furthest away from the School and Row G being adjacent to the School playing field boundary hedge.

I have numbered all the occupied graves although I believe that there are some which are unmarked – there is also one unmarked child's grave and one space which is reserved.

B ALLEN
2nd July 2013

Days and times of admission to the Cemetery

Details of transfer of deceased

From St. Joseph's College, Mark Cross, 1st August 1970.
There are 56 entries in the Burial Book, but only 17 names listed on the gravestone at No. 1 in Row G below
